

James Hollingsworth

MYSFACE COMMENTS

James' approach to MySpace.com was that he gave a personal comment to every friend he "added", with the result that he was rewarded with a huge number of comments on his page, with over 1000 comments from his 2000+ friends from all over the world. Here are the comments about his music, with the social, personal, band/venue adverts and cut/paste 'thanks for the add' comments removed:

"I just love your voice and your song-writing!"Faster Than Light" is a great song! You really must come to the States, (so I can hear you "live"!);)" - **Carol Alban**; "we love your stuff too! is it just delay you use on the guitar or is it a 12 string?????" - **Alpha Cae**; "really like your voice - it's great to hear stuff like this !" - **Silver Wizard Project**; "I couldn't resist adding a fellow Roy Harper fan, especially one who sounds so fantastic on live recordings. I look forward to hearing more from you!" - **Honey Sea Red**; "great songs - beautiful voice..." - **Kate and Kacey Coppola**; "Beautiful music!" - **Dawoud**; "James, your reputation preceeds you.
